**Mr. Kirkpatrick:**

a. Reported the itinerary of representatives of the Clark Group for their proposed trips to Europe and the Far East and noted that none of the representatives going to the latter area had received any briefing on covert activities. After some discussion it was agreed that one of these people should receive such a briefing and undertake to clear this with Governor Adams and Admiral Conolly.

b. Noted that Congressman Dodd had requested [redacted]  
[redacted] published on 3 January, respecting the "American  
Spies" now in the hands of the ChiComs. The Director approved  
the release of this material to the Congressman but stated he  
should be informed that it was for his personal information  
since we "do not circulate Communist propaganda".
